No Danger of Fight Being Called Off.

San Francisco, Gai., January 26.—Jack Gleason to-day said that there was no foundation for the rumor that the Jeffred end Johnson fight might be called off because he and Tex Rickard did not agree as to where the contest should be held. Gleason declared that if Rickard were not willing for the contest to be held in San Francisco Rickard could retire from the management. Should Rickard do this, Gleason said, he himself was prepared to make all arrangements for holding the fight in San Francisco.

FIGHT ON RULES COMMITTEE

and for Elimination of Speaker.

Washington, D. C., January 26.—Representative Fowler, of New Jersey, one of the original insurgent Republicans of the House, to-day introduced a resolution providing for a reorganization of Rules Committee and the removal of Speaker Cannon from that committee. The resolution atms straight at the House, organization, and would sfoar, the Speaker of a great portion of the power of his office, according to the statement of its author. The resolution follows:

"Resolved, That the House of Representatives shall, on the 7th day of February, 1910, after the morning hour, preceded to the cleation of the power of the power of his office, according to the statement of its author. The resolution follows:

"Resolved, That the House of Representatives shall, on the 7th day of February, 1910, after the morning hour, preceded to the cleation of the statement o

additional members of the Committee on Rules, four of whom shall be Republicans and one a Democrat.

"Resolved, That from and after the passage of this resolution the Speaker of the House of Representatives shall no longer be a member of the Committee on Rules, but that the Committee on Rules shall consist of the four members heretofore appointed and the five members elected under the provisions of this resolution.

"Resolved, That the said Committee on Rules, consisting of six Republicans and three Democrats, shall elect one of their number as chairman of

on Rules, consisting of six Republicans and three Democrats, shall elect one of their number as chairman of such committee."

Speaking of his resolution, Mr. Fowler said:

"It is now time that we should take another step toward the restoration of representative government in the House of Representatives, and that step is to remove the Speaker of the House from the Committee on Rules. The House resolution which I have introduced to-day has for its object the broadening of the Committee on Rules and the exclusion hereafter or the Speaker of the House from that committee. In my judgment this resolution expresses the clear and undoubted wish of the people and the now well-settled opinion of the country."

"Well," said Speaker Cannon, when shown a copy of the resolution, "I don't know of any law to prevent a man from introducing any kind of a resolution he may see fit."

Champ Clark, the minority leader, said that it iddn't provide a sufficient proportion of minority members on the Rules Committee.

Representative Norris, of Nebraskay one of the leaders of the Republican insurgents, declared that the insurgents stood solidly behind the principles set forth in the Fowler resolution.
